Dear Community Partner,

We are excited to announce that the Minnesota Coalition Against Sexual Assault is hosting our 2026 Symposium, *Real-World Healing: Tools for Supporting Survivors and Sustaining Ourselves*, May 6-7 at Chase on the Lake in Walker, MN. MNCASA's symposium will focus on providing practical tools and creative strategies to help advocates support victims/survivors while also caring for themselves and their teams.

We invite you to support this gathering with a sponsorship. Your sponsorship directly supports MNCASA's Symposium, where we will connect with others in the movement, share trainings and resources, provide wellness opportunities, and come together to enhance advocacy throughout Minnesota. We expect to be joined by nearly 150 advocates and allies.
